HEXHAM. THE ABBEY.

LL4464

# TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

**The Abbey** Church (once Cathedral) of St. Andrew is a magnificent specimen of Early English architecture. Its history is most interesting, dating back to early Saxon times. The present building dates from the 12th century, when it was re-built by Thomas II. Archbishop of York. The length of the transept is about 157 feet, and the height of the central tower 100 feet.
